Simple Spatial Technologies,
Saturday 18th February, 2012
Kormilda College 9am-3pm

Lot 1044 Berrimah Road,
Berrimah, NT

Get a simple, easy-to-follow introduction into the wonders of spatial technologies such as online GIS, Google Maps and Google Earth from an experienced classroom teacher. Spatial technologies are not only relevant to Geographers but make teaching Geography so much more fun. Contact us or visit our website for more information and a registration form.
