Simple Spatial Technologies,
Monday 21st November, 2011
Merewether High School 9am-3pm

Chatham St,
Broadmeadow

Get a simple, easy-to-follow introduction into the wonders of spatial technologies such as online GIS, Google Maps and Google Earth from an experienced classroom teacher. Spatial technologies are not only relevant to Geographers but make teaching Geography so much more fun. Contact us or visit our website for more information and a registration form.
